

HOME MODERNIZATION AIDS CIVIC GROWTH

Strangers Judge City by Appearance of Buildings

Ideal Town To Live In Is One with Beautiful and Modern Residences Which Prove Attractive to Visitors; Form Index of Community Spirit.

Making your home a better place to live in has a marked influence on the neighborhood in which you live and also in turn on the growth of the city.

A city is but a collection of homes. It lives or dies as the number of homes increases or decreases. The growing city is usually one with many new fine residential streets filled with attractive buildings. The city that is unprogressive, behind the times and slowly dying of dry rot is the city where the homes are old antiquated looking and decidedly out of date with respect to modern conveniences and comforts.

The stranger to the city, the casual motorist who is passing through the community judges the city almost entirely by appearance of the homes which he sees.

If the homes are modern in appearance, with those delightful sweeping roof lines that speak of the newer architecture, he receives a pleasant impression. He is immediately led to believe that the

city also is progressive and wide awake. The homes which he sees are an index to the community.

Many a business man who is endeavoring to locate in a new community judges his future in a community entirely by the appearance of its homes. With a few days in which to investigate he "looks over the town," allowing his visual impressions to guide him toward making a decision. Whether that decision is satisfactory or otherwise largely depends upon what he sees. The homes determine his future.

Homes Make Progressive City
More than one civic worker has asserted that a community of pleasant homes is a progressive one.

The appearance of the homes is largely an index of the spirit of the people of the community. If these homes are modern both within and without, the owners are living in an environment that induces a spirit of progress. No man can live in an old, weatherbeaten, worn-out house and be progressive. His environment is entirely against him—it saps his spirit, fills him with a feeling of discouragement and despair. This feeling of depression is reflected in his attitude on life and his surroundings. It makes a poor town.

The more modern the homes the more progressive the town—that seems to be the rule and an investigation shows that the better towns are those with pleasant homes and beautiful streets.

Every home owner owes it to his city to keep it headed straight on the road to progress. The most profitable way to do this is to swing into line on the home modernization movement. The home up to date as to exterior, and convenient and comfortable on the inside.

MODERNIZATION ROLLS BACK YEARS

No one passing the above house would suspect that it was once the time-worn house pictured at the right. Modernization has done wonders here toward improving the exterior and interior. These views show what modernizing will do for a house.

Unwanted House Becomes Pride of Neighborhood

New Atmosphere Created by Simple and Inexpensive Changes in Structure; Original Siding of Clapboards Covered with Stained Shingles.

The quaint looking story and a half house to the left grew from the plain, ugly house below. The old building stood idle and neglected until the magic of modernization touched it and threw back the mantle of years.

Surrounded by long, uncared for grass and scraggly trees, it was weather-beaten and forlorn, just an old house that no one wanted to buy or rent.

But when modernized it became one of the show places of the street. It was the talk of the

neighborhood. The quaint arched entrance, and shuttered windows added a touch of the unusual to the dwelling. The stained shingled sides are finished in warm tones that speak of hospitality and good will. Today it is the kind of a house that real folks live in.

New Atmosphere and Feeling
Contrast the two illustrations and see how easily the new atmosphere and feeling have been created. The old porch was torn away because its ginger bread trimming

spoiled an architecture of the twenties. No matter how the timbers or honest the workmanship, the old lines make a house definitely a relic of the past. In place of the open porch a design in porch was introduced with a shingle covered porch and a gabled roof. It is modern in appearance, fully in keeping with the times.

The original siding of clapboards was covered with stained shingles. New window sash and trim substituted for the old time narrow windows. The better shatters of odd design set off the windows in an artistic manner.

Second Floor Improved
Overhead the single window at the end of the building was removed. The opening was enlarged and now a bay of windows fills this opening. As the windows are flanked on either side by batten shutters.

Overhead in the gable a new lator has been placed to architecturally to the elevation of the building and to afford the small attic.

A dormer window was placed on the left to increase the amount of daylight and ventilation needed on the second floor.

The claims of the manufacturer of stained shingles that this type of siding adds to the charm and individuality of the dwelling are borne out in this particular instance. The shingle sides add the attractiveness of the exterior.

A new concrete walk leading to the street finished the exterior improvements of this old house. Stove heat has been changed in favor of a warm air furnace which keeps the interior space comfortable during the winter months of the year.

The side door opens into a large room with paneled walls in two shades of yellow. The floor is covered with battleship blue waxed and polished until it gleams like old wood.

And what a change in the kitchen! Gone is the old cook stove in its place is seen a modern stove. The former sink with wooden drip board was removed and a white enameled affair substituted. Cupboards along the wall conceal the pots and pans when of use.

Circulation Important Factor in Operation of Heating Unit

No matter what type of heating plant you have down in your basement, there is one thing you must keep constantly in mind: Its success depends on the law of circuit.

With warm air, for instance, cool air enters the heating chamber and rises, passing through the warm air ducts and out into the rooms of the house. As it cools the air

sinks to the floor entering the cold air register and passing once more to the heating chamber. If this circuit is impeded the flow of air stops and the heating ability of the furnace is impaired.

The same law of circuits works with steam. Steam condenses as it cools and runs back to the boiler so more hot steam may enter the radiators. The hot water keeps in circulation also if the house is to be kept warm.

If you have a warm air furnace in your home, and they are very popular with small homes, make certain that the cold air ducts leading to the heating chamber around the fire box balances with the area of the warm pipes leading to the various rooms of the house. It is obvious that the amount of air that enters the heating chamber determines the amount of warm air that comes out. If the flow is restricted, then the supply of warm air will not be adequate.

Many home owners complain that they cannot heat distant rooms. The trouble invariably lies with a restricted circulation. The cold air ducts cannot supply the needed air and accordingly certain rooms go cold.

The old vessel had a long and
honorable career on the Mississippi
and Illinois rivers, first as a packet
and later as a fish and game con-

with large tanks, formerly used to
carry live fish.

The Illinois first came to the at-

August, when it was anchored be-

was filled with whisky mash and
the other with distilling utensils
and fuel. The agents returned the
next day with a search warrant but
the old stern-wheeler had vanished
and the barge with the mash was
scuttled before they were able to
reach the scene. The Illinois was
located only Saturday in a dock at
Alton.

EGG PRICES STAYING LOW

Huge Storage Stock To Prevent Rise; Poultry Outlook Improves.

By The Associated Press. COLUMBUS, O., Sept. 15.—The poultry outlook is improving with a decrease in the supply of dressed poultry in storage, according to a bulletin issued here today by the Ohio Farm Bureau Corporation. The volume, says the bulletin, of poultry in storage has slowly decreased until supplies are now about the same or a little smaller than a year ago. Egg prices are lagging behind last year, with only a fair outlook for price improvement.

The supply of eggs in storage is so large that prices are almost cer-

tain to remain somewhat below a favorable level for several months. There has been a noticeable decline in storage supplies, but the volume of eggs in storage is so enormous that prices can not keep up with the usual seasonal increase.

Far Below Last Year. The top New York egg price for shipped-in receipts has been around 45 cents. A year ago the same top was from 55 to 60 cents. Egg prices at New York City have increased from 32 to around 50 cents.

The increase, the bulletin says, in egg prices held off this year until near the end of July, and the upturn continued fairly uniform throughout the latter half of the summer.

According to the bulletin, poultry prices at the farm range from 23 cents down to 20 cents and lower. Prices at New York City for live fowls are about 10 cents lower than a year ago.

An improvement in business conditions would strengthen the poultry market, the bulletin says. There is, the bulletin continues, a possibility that poultry may be higher during the second half of the winter when supplies of meat may have shown further declines.

Little Encouragement. The bulletin states that on the basis of present poultry prices, there is not much encouragement for farmers to continue feeding poultry longer than is absolutely necessary to condition for the market.

The farmer producing eggs this winter will very likely find the margin between feed costs and the market value, the bulletin points out. This, the bulletin says, will be very narrow. Eggs may move out of storage faster than usual and the production of fresh eggs may be lower than anticipated this fall and winter, so that prices may move upward in a better way than now seems likely.

In view of the present comparative price situations of eggs and feeds, the bulletin says farmers will be inclined to sell down their flocks rather closely and to retain only birds which show some prospects of being able to use high price feeds effectively.

Kiwanis Official To Visit Club Here

Marion Kiwanians will be paid a visit by Ident. Gov. John Pierce of Mansfield at the club luncheon at the Marion club Thursday, Sept. 17. Gov. Pierce will also be the speaker following the luncheon.

This will be the district officer's first official visit to the local club since his installation last October. Rotarians will meet at the Marion club Tuesday night instead of the usual noon luncheon at Hotel Harding. Details of the program have not been announced.

ERIC CACRES is the hero of Nevil Shute's novel, "Dark Flame," in which she takes her readers through a maze of exciting and pleasurable adventures in London, Paris and Switzerland with her gay crowd. Naturally Eric is important not only because of his wealth and good looks but because of a certain mystery which is mingled with the hard cynicism common to all the members of the smart set in which he is living. It is not a mystery of soul so much as of action. No one can understand why he walked out from his Carlton terrace house one night and married the first bedraggled girl he met on the bridge. Not even Dieder herself can understand him nor her willingness to be captivated by his charm.

For Tuesday, Sept. 16

A GENERALLY adverse and difficult state of affairs is predicted from the governing lunar influences of this day. There may be a very difficult and stubborn situation to surmount, with treachery, misrepresentation and fraud inspiring enmity and possible litigation. However, the mind will be keen and alert, and with the new plans and projects under favorable astral tokens, with discretion and sagacity affairs may be made to prosper in the end. Be careful with writings.

Those whose birthday it is are confronted by a year calling for sagacity, wisdom and discretion in directing affairs over tenacious obstacles and difficult circumstances. There is a portent of treachery, fraud, misrepresentation and subtle enmity, with danger from papers or writings. But these omens are offset by signs of alert mind, keen insight into bad situations and the assistance of favorable intervention in new projects. A child born on this day should have a keen and penetrating mental equipment, which it may need to overcome tenacious obstacles as well as subtle enmities in life.

In perfect taste, with none of the
flash and gaudiness that some-

H. B. Warner? A man of the
world, a devil with the women, as
he is often referred to.

This little bit of the story we
learned, and it tells enough of the
picture to sound interesting to
theatersgoers who like sophisti-
cated plays.

Irene Rich is the ambitious
mother who runs a gown shop and
designs the pretties for "lilies of
the field" and fashionable wives.
It is this latter condition the man-
nequin abhors, for she sees every
day instances of philandering hus-
bands buying for more expensive
gowns for the "ladies of the eve-
ning" than they are willing to buy
for their own wives.

Weiman's magazine story.

QUITS STAGE TO FLY

By The Associated Press
ST. LOUIS—Less than a year

the stage was too tame so she
took up aviation.

Now the little dancer is

SPECIAL SHOWING OF

Ford De Luxe Bodies

OF STRIKING BEAUTY

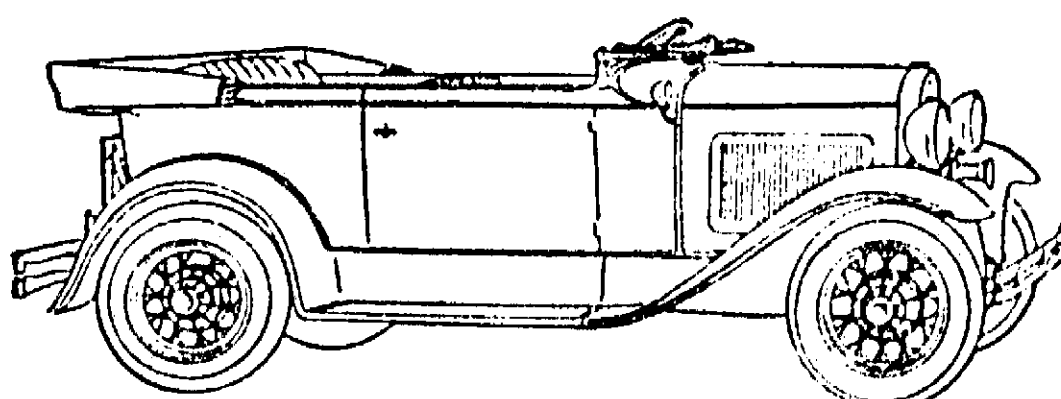

FOR THOSE WHO DESIRE a distinctive de luxe treatment of upholstery,
trimming, appointments, lines and colors, the Ford Motor Company
has supplemented its standard line with a number of beautiful new
body types. These include the De Luxe Roadster, De Luxe Phaeton,
De Luxe Coupe, De Luxe Sedan, Town Sedan and Convertible
Cabriolet. An interesting display of Ford De Luxe cars is being
held this week at the showrooms of Ford dealers.

A noteworthy feature of these new body types is the richness of
their upholstery and appointments. The De Luxe Roadster and
De Luxe Phaeton are finished in genuine Bedouin grain leather, in

tan harmonizing with the swagger tops. In the De Luxe Coupe,
De Luxe Sedan and Town Sedan you may select soft, luxurious
mohair or the fashionable Bedford cord.

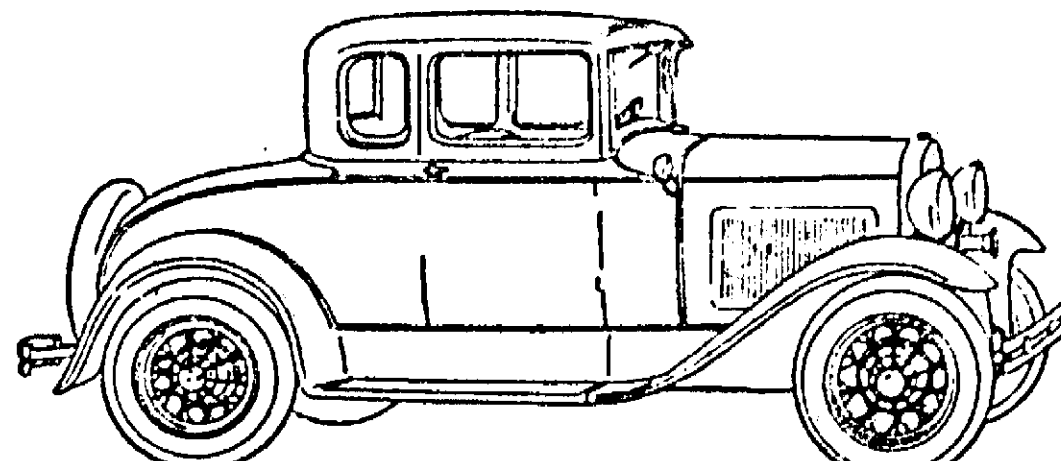

Special colors are also available in these latest Ford cars. In open
types, the wheels are finished in a different color from the body. All
have cowl lights and gleaming Rustless Steel for many exterior
metal parts.

Take a little while this week to see and inspect these striking new
bodies at the showrooms of the nearest Ford dealer. They are truly
de luxe in every detail of line, color and appointment.

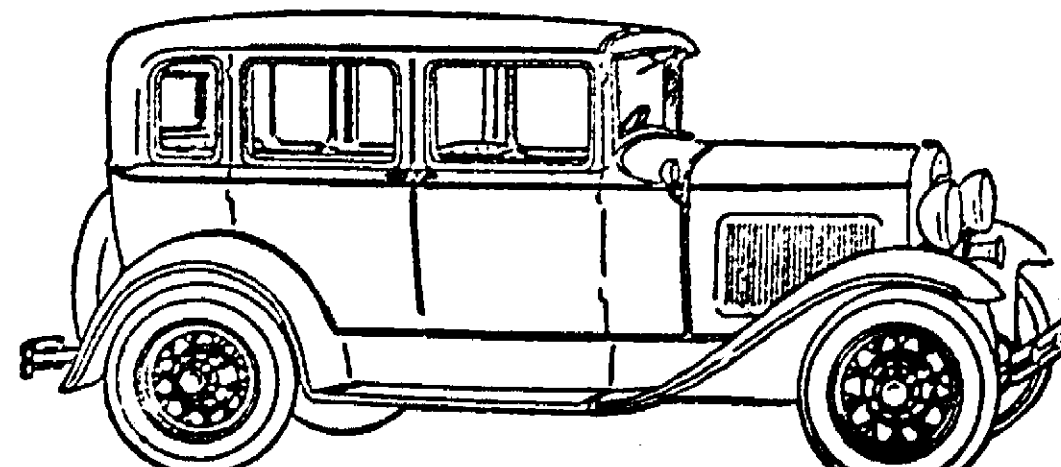

NEW FORD DE LUXE PHAETON

Distinctiveness by its low, fleet lines, and attractive sport treatment. Same color
combinations as the De Luxe Roadster. One wide door admits to front and rear
seats. Driver's seat is adjustable. The attractive tan top matches the upholstery
of genuine leather. Triplex shatter-proof glass windshield and windshield wings
fold flat. Cowl lights, side fender well for spare wheel, trunk rack and front
and rear bumpers are standard equipment.

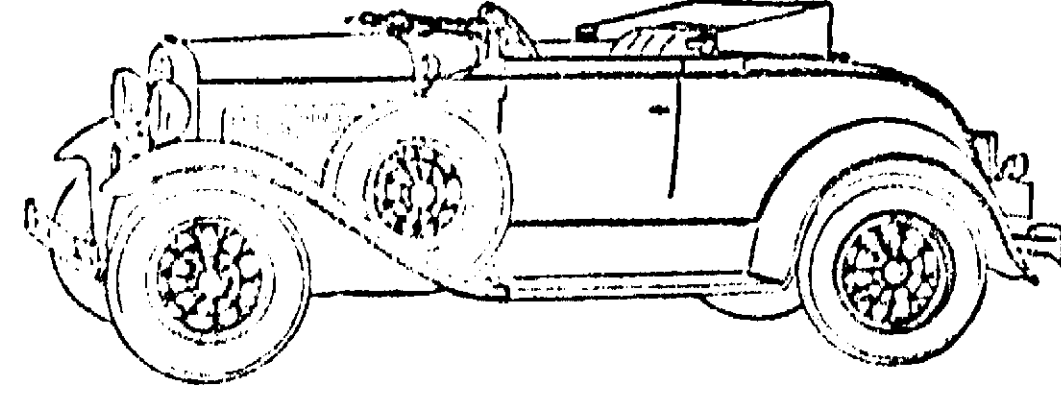

NEW FORD DE LUXE COUPE

Women will be quick to note the rich interior of this beautiful closed car. You
may choose upholstery of brown mohair or Bedford cord. Hardware is of dis-
tinctive scroll design. Dome light and cowl lights are standard equipment.
Selection in body colors includes Maroon, Keweenaw Green, Chicle Drab and
Black. A small, easily turned handle enables you to adjust the seat to suit
your convenience. Curtain is provided for the rear window.

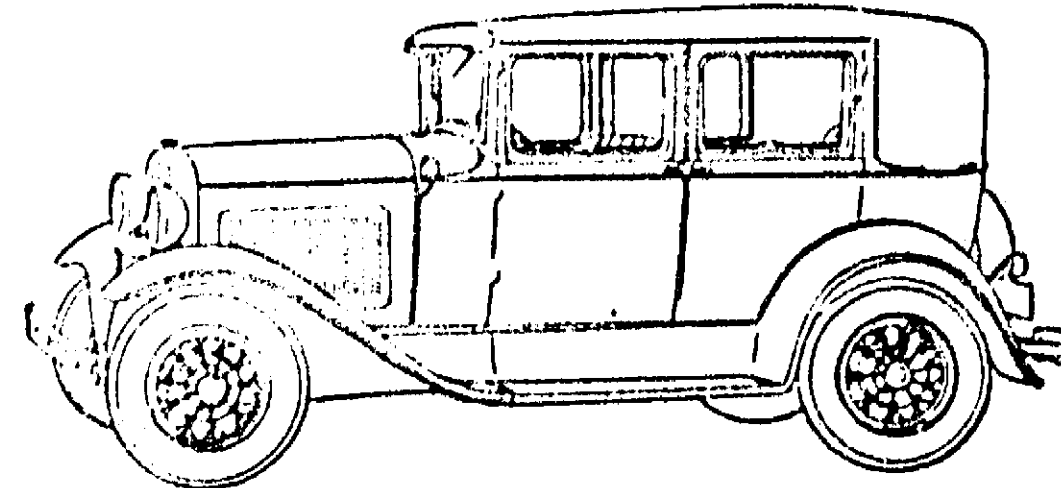

NEW FORD TOWN SEDAN

A POPULAR FAMILY CAR because of its reliability, economy and easy-riding comfort.
Equipped, as are all the Ford cars, with four Houdaille double-acting hydraulic
shock absorbers. Other features include quick accelerator, ease of control, 25
to 65 miles an hour, silent, fully enclosed four-wheel brakes, more than twenty
ball and roller bearings, and Rustless Steel. Same appointments as De Luxe
Sedan and De Luxe Coupe.

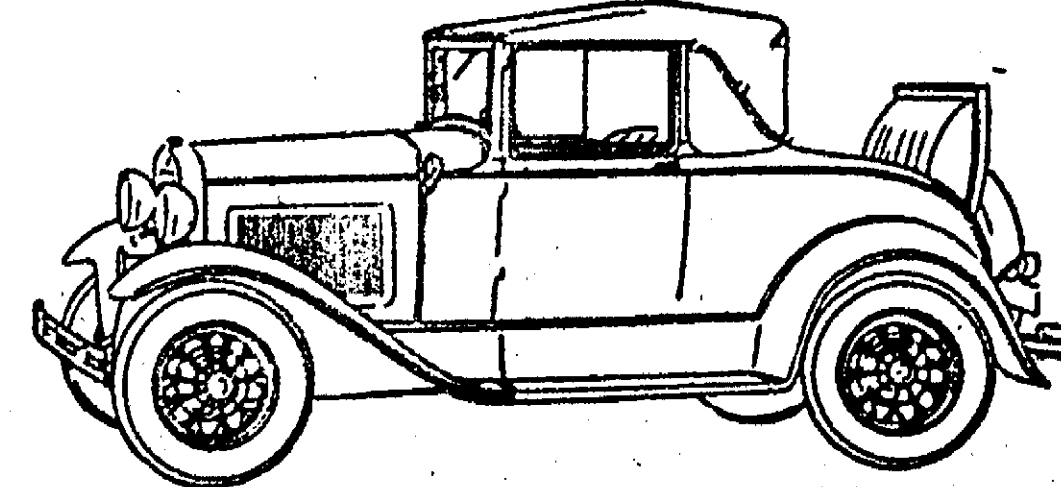

NEW FORD DE LUXE ROADSTER

The newest, latest Ford body type. Just introduced. A striking sport car. Fin-
ished in Rustless Steel, Washington Blue, and Stone Brown, with the sturdy,
steel spoke wheels in complementary colors. Upholstery in genuine Bedouin grain
leather, with narrow piping. In tan to harmonize with the swagger top. Substantial
rumble seat, cowl lights, trunk rack, side fender well for spare wheel, front and
rear bumpers are standard equipment.

NEW FORD DE LUXE SEDAN

A STRIKING EXAMPLE of the rich finish that characterizes all of these new Ford
de luxe bodies. For upholstery you may choose Bedford cord or luxurious
mohair. Mahogany finish garnish moulding is provided on the windows and
beneath the windshield. Driver's seat is adjustable. Wide rear seat has a folding
center arm and side arm rests. Cowl lights are standard equipment. There
is a wide variety of body colors for your selection.

NEW FORD CABRIOLET (CONVERTIBLE)

AN ALL-WEATHER, all-weather car because of its convertible feature. Combines the airy
freedom of the roadster and the snug comfort of the coupe. Substantial top is
easy to raise and lower. Upholstered in fashionable Bedford cord. Equipped
with wide, comfortable rumble seat and cowl lights. Finished in mohair or a
distinctive yellow, in addition to the standard colors. Side windows are framed
in bright nickel.

ONE SLAIN IN RAID ON SAFE BLOWERS

Loot Valued at \$100,000 Is Recovered by Police of Kansas City.

By The Associated Press
KANSAS CITY, Sept. 15.—One suspect is dead, his companion was under arrest and stolen Liberty bonds and money orders valued at \$100,000 were in possession of police today as the result of a raid on what they described as a "safe blowers' nest."

The slain man, shot down when he sought to escape a raiding party of police and postal inspectors yesterday, was tentatively identified as John Williams of Sioux City, Ia. Frank Peliser, 37, his companion, has served three prison terms. The men posed as solicitors for a photography firm. The recovered valuables were identified, officers said, as part of loot taken in recent robberies. A number of guns, 200 rounds of ammunition, a quantity of nitroglycerin and the stolen valuables were found in the room occupied by Peliser and his slain companion.

BOTTLE BOUNCES ON STREET; MAN FINED

Attempt To Destroy Evidence Fails; Fined \$10 on Intoxication Charge.

Charles Mitchell, 36, of River Range, Mich., was alternately praising and bawling his lucky stars today. The howling centered around his attempted disposition of a whisky bottle Saturday night when accosted by a patrolman. He threw the bottle from his automobile to the brick pavement of Main street, but the bottle refused to break, although it hit the pavement with considerable force and bounced part way across the street. Mitchell hoped to destroy possible "evidence" in the event of a liquor charge by disposing of the bottle. The lucky streak came in when it was found that Mitchell had apparently consumed all but a few drops of the bottle's contents. There wasn't enough left to prosecute him on a liquor possession charge.

He was fined \$10 in municipal court when he pleaded guilty to a charge of intoxication. His Durant sedan was damaged when it skidded from the road near Upper Sandusky before arriving in Marion.

Noted Banker Sees End of Business Depression

By International News Service
CLEVELAND, O., Sept. 15.—Business appears to be turning the corner and industrial activity seems to be increasing, Colonel Leonard P. Ayers, noted economist and banker, declared here today in his monthly review of business. "Since the first week of August, industrial activity in some of the most important basic lines has been increasing, and to a degree which justifies the hope but not the conviction, that the low point of the depression has been reached and left behind," Ayers said.

Blue-Egg Hens Caught—Hens which lay blue eggs were recently caught in South America by Clarence Elliott, a scientist. He also captured deer two feet high, giant frogs, birds which resemble turkeys and have spurs on their wings, and wild dogs, all of which he has taken to the London zoo.

GEORGE B. CHRISTIAN IS TAKEN BY DEATH

Civil War Veteran Was Father of Former Secretary to President Harding.

important contributions he ever made to the life of Marion county. He built the first improved road in the county, a gravel road known as the LaRue and Essex road, which extended from LaRue to the county line. He also built the Radnor road and was engineer on the Marion and Big Island and many other turnpikes in the county.

Served As Surveyor

In 1872 he was elected county surveyor and served in that capacity for three years. He went abroad in 1876 and upon his return in 1877, became editor and proprietor of the Marion Mirror. His editorials became widely known as he continually pointed out to the then small village, the improvements that must come before it could be a city.

In 1919 Colonel and Mrs. Christian celebrated their fiftieth wedding anniversary in their home on East Church street. Mrs. Christian died in February of 1928. At the time of the anniversary celebration it was recalled that the couple had lived at Orchard and Church street, the site of Harding High school, for 41 years.

Colonel Christian was proud of his heritage of southern blood from his father, Dr. John Millard Christian of Virginia. His father came to Ohio to accept an appointment in the postoffice department in Columbus, the appointment coming through President John Tyler whose wife was a cousin of Mr. Christian. In 1843 Dr. Christian came to Marion and was one of the first principals in the Marion academy where he met Paulina Busby, who became the wife of Dr. Christian and the mother of Colonel Christian.

Colonel Christian was born Dec. 27, 1816, in a home on the east side of North Prospect street on the ground now between the Erie and Big Four railroad tracks.

Lodge Affiliations

He was proud that he could trace his ancestry back to Revolutionary days. When the armistice was signed in the World war, Colonel Christian had 13 relatives in uniform and his son, George B. Christian, Jr., and five nephews were waiting calls to service.

Colonel Christian was the oldest living member of Marion Lodge No. 70, Free and Accepted Masons, was a charter member of Marion Lodge No. 32, Benevolent and Protective Order of Elks, an honorary member of the Marion club, a charter member of Cooper Post No. 117, Grand Army of the Republic and a member of First Presbyterian church.

Besides his son George Jr., Colonel Christian is survived by two daughters, Mrs. J. P. Dombough of 380 Mt. Vernon avenue and Mrs. Chester C. Roberts of 351 East Church street and three sisters, Mrs. Carrie Garberson of South State street and Misses Hattie and Berene Christian of South Main street. Six grandsons are living. A brother, Norris Christian and a sister, Mrs. Frank Kent, preceded him in death.

Funeral services will be held Wednesday at 2:30 p. m. at the Christian home, with Rev. Howard L. Olewiler, pastor of First Presbyterian church and the G. A. R. corps officiating. Interment will be in the Marion cemetery. Friends may view the body at the home.

TELL OF MEETING

Delegates To Conference In Charge of Services.

Young people of Central Christian church who attended the Christian Endeavor conference at Wilmington last week, were in charge of the services Sunday night at the church.

Miss Katherine Schneider discussed the conference schedule and quest, and Miss Helen Woodruff presented "Life's Problems." The worship program was presented by Miss Verna Babcock and Francis Fairchild told "What Conference Really Is." "Social Life Enlivened by Church Programs" was the topic presented by Keith Maloney and a quartet composed of Francis Fairchild, Harold Patrick, Keith Maloney and Clyde Smith contributed a group of conference songs. The program closed with "Taps" benediction and a song "Into My Heart" by Francis Fairchild.

The young people who had attended the conference each year since 1923 took their places on the platform at the opening of the program.

LUMBERJACKS WIN

Capture \$200,000 Log Cargo Separated from Tugs.

By The Associated Press
ASHLAND, Wis., Sept. 15.—Victorious over wind and waves that separated a \$200,000 log raft from the three tugs that were pulling them, lumberjacks and sailors early today conveyed the captured cargo toward Ashland.

Since Thursday night, sure-footed lumberjacks welded hand spikes and sailors maneuvered with ropes to control the rampant raft. Fog and choppy weather held them at bay while the raft lashed its free end in the waters of Lake Superior at Stockton Island.

Made up of 17,000 cords, the raft, said by lumbermen to be the largest ever towed from Canada, suddenly became unmanageable during stormy weather off Presque Point.

Because she must wear a glass eye as the result of a crash while riding with her fiancé, John W. London, Miss Martha A. Ashton, of London, recently won her suit against him for \$6,875 damages.

William Gabler Picked By Waldo Boys and Girls

Well-Known Resident of Village Named President of Group at Seventeenth Reunion Held in Knights of Pythias Hall; Set Date for 1931 Event.

William Gabler, 91, was elected president at the seventeenth annual reunion and homecoming of the Waldo Boys' and Girls' club held Sunday in the Knights of Pythias hall at Waldo. About 75 residents and former residents of the village, together with their families attended the picnic which opened with a dinner served at the noon hour. Rev. W. F. Lahr, pastor of the Reformed church, returned thanks at the dinner.

The program hour was preceded by a short business session during which Mrs. W. C. Llewellyn of Marion, president. Other officers elected were Charles Selanders of Prospect, vice president, Mrs. Wesley Miller of Marion, secretary, and Mrs. Mattie Anthony of Waldo, treasurer. William Hoch and Jacob Denman of Waldo were named to serve on the committee on arrangements for the next meeting and Mrs. Wesley Miller of Marion, Thomas Drake of Prospect, and Mrs. Mae Selanders of Waldo, on the flower committee. It was decided to hold the next reunion the second Sunday in September, 1931, at the same place.

Mrs. Myrtle Kaelber of Waldo gave a reading "Run Away With Me" and Mrs. Addie Hull Michaels of Sycamore contributed a reading, "Fori Morrow." Talks were given by Mrs. Carrie Selanders of Marion, Arch Shrotons of Camden, Mich., Wesley Llewellyn of Marion, Edwin Christensen of Prospect, entertained with two vocal numbers, William Gabler and a number of other Waldo residents. Mrs. Emma Jones Houseworth, 70, was the oldest person born in Waldo in attendance at the reunion.

Former residents were in attendance from Delaware, Radnor, Prospect, Marion, Carlington, Sycamore, O. and Michigan and Arizona.

ARREST WOMAN FOR SLAYING OF SISTER

Suspect Admits Act; Says Victim Asked Her To Shoot Her.

By The Associated Press
LOS ANGELES, Calif., Sept. 15.—Mrs. Ruth B. Welmer was under arrest today for the slaying of her sister, Mrs. Mabel Agnes Steele, 41, whom she admitted shooting, police said, "to cure her of a broken heart."

Grieving over the kidnapping of her two children, allegedly by her estranged husband, Mrs. Steele at times, and in a fit of jealousy, she was placed in a psychiatric ward, police said. Apparently recovered, she was released recently.

Yesterday she returned to weeping bitterly for her children.

A niece of Mrs. Welmer said her aunt told Mrs. Steele: "If you don't stop crying I'll shoot you."

"I want to die. Please do," the niece quoted Mrs. Steele as replying. Five bullets pierced the grief-stricken woman's body.

GOOD ATTENDANCE EXPECTED AT MEET

Ohio Chamber of Commerce To Entertain Marion Business Men at Dinner.

Acceptances to invitations sent out last week today indicated that a good turnout of Marion business men will attend the complimentary dinner to be given by the Ohio Chamber of Commerce Tuesday at 6:30 p. m. in the Harding Hotel.

Purpose of the meeting is to acquaint local Chamber of Commerce members and other business men with the program and policies of the state organization particularly with reference to the coming session of the legislature which convenes in January.

Karl S. Kummer, field secretary of the state organization, will address the meeting on "Business and the Next Legislature." The invitations were sent out by the state organization and acceptances are to be made with Miss Mary P. Kelly, secretary of the Marion Chamber of Commerce, who is in charge of the local arrangements.

CHAOS LOOMS AFTER GERMAN ELECTIONS

Government Faces Crisis as Results of Polling; Disorders Attend Voting.

By The Associated Press
BERLIN, Sept. 15.—A parliamentary chaos, in which no government will be able to survive, loomed in Germany today as a consequence of Reichstag elections Sunday.

So extensive may be the results of the polling, in which Fascists and Communists, themselves bitterly antagonistic, received almost a landslide of votes, that fall of the present Brüning government—now almost a certainty—appeared the least serious of the developments which now threaten.

Democrats remained the largest single group in the Reichstag as a result of the polling. They probably will have 143 deputies. The Fascists of Adolf Hitler, young Austrian responsible for the notorious 1923 Munich Putsch, made astounding gains in virtually every section of the country, and jumped from twelve seats in the 1928 elections to 107.

Chancellor Brüning's fall might almost be taken for granted unless he can enlist the collaboration of the Social Democrats who preceded the elections refused continually to ally themselves with him in most of his important moves.

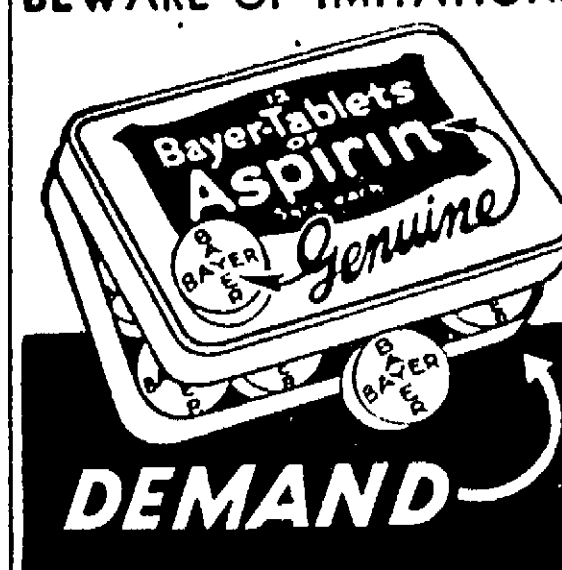

Some disorders attended the election, but both in Berlin and in the provinces they were of minor character, although Communists and Fascists met here and there in fairly active hostilities. The chief weapons of antagonists were beer steins and pieces of furniture. Berlin police made 403 arrests.

all adults, there would be lacking 4,000,000,000 slaves to do the work that machines do in the United States now.

Man's earthly salvation will be found and all his problems solved in his own brain. Even the present slump problem, following the murderous war, will be solved.

THE JEWISH Telegraph Agency reports an interesting happening in the Midgal Jewish colony near Jerusalem. A Bedouin of the Arab tribe was found shot dead in a banana grove belonging to Jewish colonists. He had, perhaps, been caught pilfering.

It was a dangerous situation that might start a blood feud. Representatives of Bedouins and Jewish colonists met and signed a peace pact "to reign between us from now until eternity."

Bedouins and Jews, face to face, then held the Bedouin tribal rod. A silk handkerchief was put over the Jews' tied two knots and the Bedouins three in the handkerchief. Then came the vow of eternal peace and the Jewish elders embraced the relatives of the dead man.

As in bigger wars, the question of reparations arose and the Jewish elders, after the oath of peace, paid \$250 in cash to the dead man's relatives agreeing to pay \$375 more within two months.

That peace, like some others, may last, but probably will not. According to the learned Desha, the incident is interesting ethnologically, for, he says, the original inhabitants of Judea, ancestors of today's Jews, were Bedouins, most savage fighters of all the Semitic tribes.

ALREADY in 1930 more than 36,000 people have been killed in automobile accidents, and that agitates us all.

In the same period a much greater number of mothers have died in childbirth, because no government agency gives them the assistance that the department of agriculture gladly gives to a cow or mare in labor.

And that agitates us not at all.

MANY ARRESTED

Former Military Officials of Peru Rounded Up.

By United Press
LIMA, Peru, Sept. 15.—Wholesale arrests of military officials who served under former President Augusto B. Leguia were revealed today.

Among those detained were Gen. Manuel Ponce, who headed the first military government after Leguia's downfall but was succeeded by the present regime of Lt. Col. Sanchez Cerro, and Gen. Jose Luis Salomon, secretary of war in the Leguia government.

Four other generals and seven colonels were also arrested. Among them was the former military chief of Leguia's household, Col. Charles J. Inca.

Numerous civilians also were taken into custody. There was no official explanation of the arrests.

Mayor L. Don Jones appeared on the opening program of the contest Saturday night, broadcast by radio station WAB of Columbus. A half-hour broadcast between 7:30 and 8 p. m. each day will feature the contest.

Mrs. R. C. Spangler and Mrs. John Wiley of Marion are nurses attending the contestants. Judges are Irvin Adler and Lee Hoffman. The latter is also dietitian. A public address system for the benefit of onlookers will be installed at the broadcasting platform today.

WORKMAN KILLED

By The Associated Press
CLEVELAND, O., Sept. 15.—Frank Welch of Canton, a worker on a line car of the Cleveland interurban railroad, died at a hospital today from injuries suffered when he thrust his head from the side of the car and was struck by a projecting box on a trolley pole.

When a delegation of teachers recently called on Dr. Masaryk, president of Czechoslovakia, in Prague, he addressed them in Czechoslovakian, German, Polish and Magyar.

NO SLUMP AT COLLEGE

By The Associated Press
OBERLIN, O., Sept. 15.—Oberlin college will have as large a crop of freshmen this year as ever, officials announced today after checking records. They said the downward swing of the business cycle and the summer drought had failed to cause a decrease in the class.

A boy has to work a long time before he gets the habit.

Acidity Slams More Doors than Temper!

"Touchy" and grouchy husbands are often only sick men! It's acid in their systems speaking when they bark and growl. Excess acid formed in the stomach causes acid indigestion with gas, sourness and burning. It acts up putrefaction and fermentation in the intestines which spread poisons through the system and make us weak, tired, nervous and irritable.

A remarkable new corrective of acidity has been developed by a famous 100-year-old pharmaceutical house in Germany. This new acid corrective comes in the form of a small, white tablet, called Magnesia Oxidola. Magnesia Oxidola upon contact with the acid in the stomach, generates nascent, or active oxygen. Now, as any doctor will tell you, active oxygen when created within the digestive tract does just the things required for acidity. It stimulates the secretion of the alkaline mucus. It checks putrefaction and fermentation in the intestines. It stimulates the activities of the intestinal walls and aids the natural movement of the bowels. All these effects are necessary to a real correction of acidity.

Make this Acidity Test

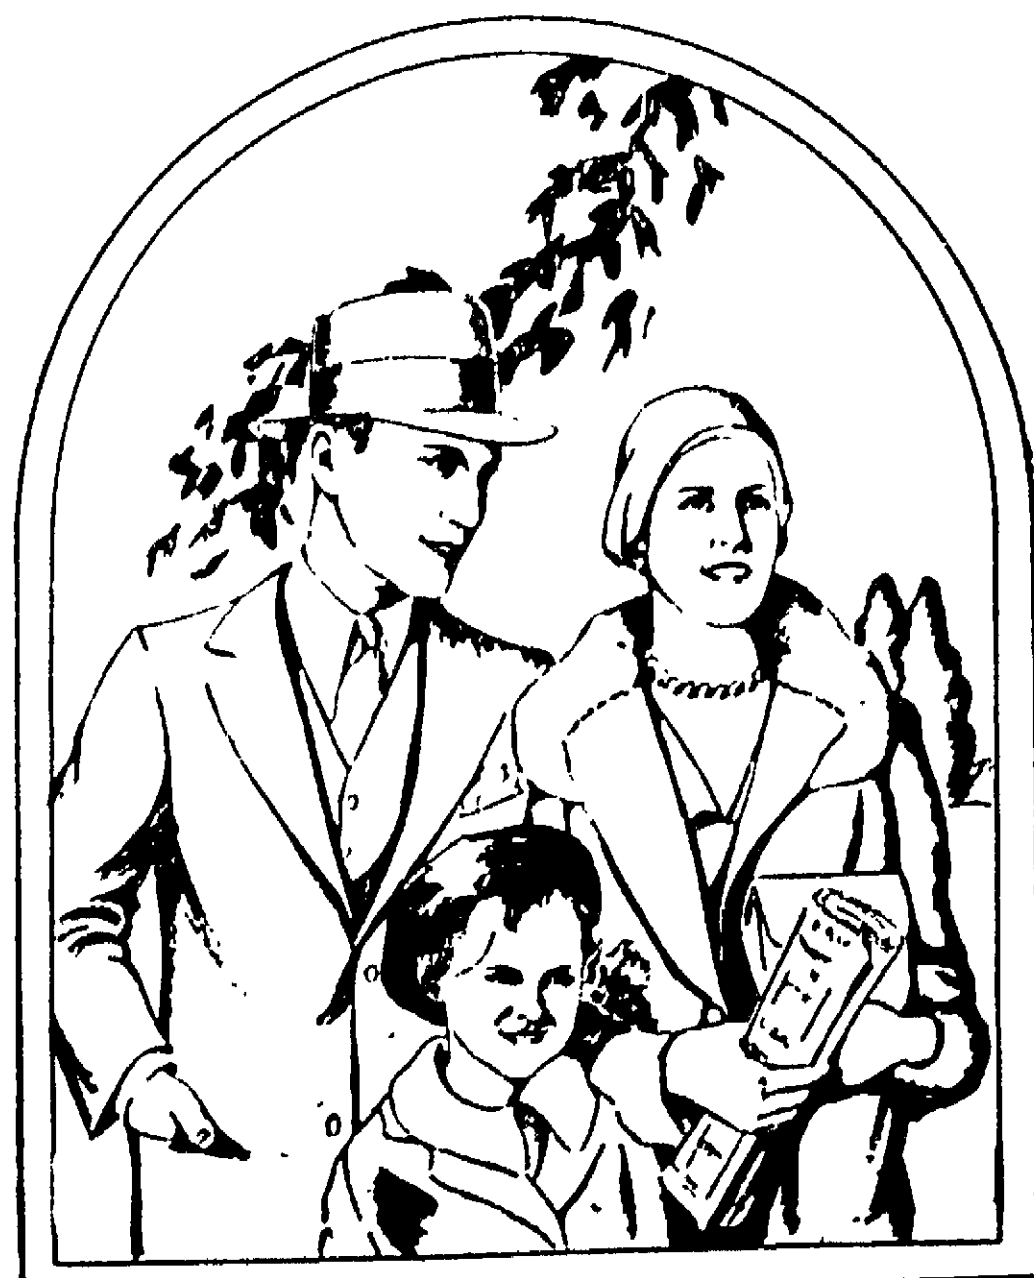

See for yourself how much acid has to do with your indigestion, your cranky spells, your blue days and sleepless nights. Make this acidity test. Get a package of Magnesia Oxidola from Bradley's Drug Store, or any other druggist. Take two after each meal. Note the pick-up in your pep and vigor. Mark the new peace of your stomach and nerves. If, after taking the contents of one bottle, you don't notice a decided improvement in your condition, return the bottle to your druggist and he will promptly refund your money.—Adv.

WHEN THE FAMILY FARES FORTH IN SEARCH OF A PLACE TO LIVE

They all smile happily because they have gone about "home-hunting" in the most modern way, by first consulting the rental offers in The Star's Classified Section and locating there exactly the place they want. Location, convenience and proper room space all being satisfactorily selected, they have called the owner or agent and now their expedition is a carefree and joyful one, since all worry and troublesome search have been eliminated.

Most everyone locates their rental homes in this manner—that's why it pays Marion property owners and agents to list their offerings regularly in our Classified Section.

Schools, Colleges Attract Interest of Marion Younger Set; Clubs Plan Programs

WITH schools and colleges claiming the interest of the younger set, guests departing and vacationists returning home, Marion hostesses are turning their thoughts to winter social and club activities. The closing weeks of September will bring preliminary meetings of chairmen and committees and early October will see practically all the organized literary clubs holding their first meetings of the club year. Dance clubs whose seasons open nearer the holiday time are finding it convenient to arrange their programs later on, while a number of smaller social and card clubs have carried their meetings on throughout the summer and are arranging their dates to suit the winter months.

Although no programs were issued this month for the weekly social events at the Marion Country club the members are finding the clubhouse and golf course delightful places to spend autumn days.

BANK CLOSED

State Examiners Order Cleveland Institution Closed; Accounts Safe.

By International News Service. CLEVELAND, Sept. 15 — The Merchants Trust and Savings bank of Cleveland was closed here today by the state banking department owing to the inability of the institution to make collections of loans, many of which are predicated in real estate.

Resources of the bank are listed at \$2,557,565.32, capital stock at \$100,000 and surplus at \$111,961.52. Action in closing the institution, according to state superintendent of banks O. C. Gray, was deemed necessary "to conserve the assets of the bank in the interest of depositors."

Gray said that the state banking department will proceed immediately to either sell or liquidate the institution.

Doing one's duty ought to be praised. It's hard enough as it is.

Galion Man Instantly Killed When Struck by Automobile

COUNTY HOME INMATE VICTIM

Alfred L. Dickerson Hit While Walking Along Highway Away from Home.

Special To The Star.
GALION, Sept. 13—Alfred L. Dickerson, 61, was almost instantly killed Sunday afternoon when he was struck by an automobile driven by Anthony A. Gabriel of Bucyrus.

Dickerson, who became a resident of the Crawford county home Saturday, was walking along the Bucyrus-Galion road near the home when the accident occurred. Gabriel said he did not see the man in the road. He died from a fractured skull. He was born Sept. 29, 1868, in Morrow county, the son of John and Caroline (Hunter) Dickerson. In 1889 he was married to Louise I. Cronenwett. She died a year ago. For many years he was employed as a teamster. Mrs. A. C. Seitz of Hillsboro is a daughter surviving. A brother, John Dickerson, residing on the Mansfield road, also survives, besides four grandchildren.

Funeral services will be held Tuesday at 2 p. m. in the Volk funeral home. Rev. R. R. Elliker, pastor of the First Reformed church, will officiate, and burial will be made in Pleasant Hill cemetery.

NEW GAS PRICE CUT PROPOSED

Schedule Offered Kenton Council Ranges from \$1 to 75 Cents Thousand.

Special To The Star.
KENTON, Sept. 13—Further reduction in the proposed schedule of gas rate offered the city of Kenton by Akron interests who are asking council for a 10-year franchise to distribute gas locally from western Hardin county fields, has been announced to city council.

Under the charge of 75 cents a thousand for all gas used over 10,000 cubic feet per month would be made instead of the 90 cents charge as previously listed.

The schedule as proposed should a franchise be granted is \$1 a thousand for the first 2,000 cubic feet consumed in a month; 90 cents a thousand for all gas used in excess of 2,000 feet and up to 10,000 cubic feet; and 75 per cent per thousand cubic feet for all gas used in excess of 10,000 cubic feet.

During a conference, Attorney C. W. White and P. H. Hart, Akron men who are seeking the right to lay mains and distribute gas locally, declared they were in a position to provide sufficient gas for local consumption from wells in the Hardin county field and to immediately start surveys for the laying of lines.

DAMAGES OF \$10,000 ASKED AT BUCYRUS

Motor Transit Company Named Defendant by Woman Hurt in Accident.

Special To The Star.
BUCYRUS, Sept. 13—The Mid Western Motor Transit, Inc., of Toledo was named defendant in a court action filed today by Vonna Brown, who seeks damages in the sum of \$10,000 as the result of an automobile and bus accident April 13, 1929 on the Bucyrus-Centline road.

It is alleged by the plaintiff that during careless and negligent operation of the bus it was permitted to collide with the car in which she was riding with Earl Brown, throwing it to the ditch, resulting in alleged permanent injuries to the plaintiff.

Massa Reads Bible In Cell As He Awaits Death At Ohio Pen

By The Associated Press.
COLUMBUS, O., Sept. 13—Through the grating of his single cell in death row at Ohio penitentiary, when he entered Saturday night, Fred J. Massa, convicted slayer of Ralph Wilcox, Galion filling station operator, gazed at the warm autumn sunlight today.

His name had been changed for the number 62,432, and officials said today, he seems to spend much of his time in repeating the figures to himself.

The same stoicism he displayed at his trial was evident in Massa today.

The prison's Massa, however, is more taciturn than the defendant Massa.

Massa reads the Bible, guards reported. He thumbs the pages nervously.

Then he leaves his bunk and walks back and forth—perhaps contemplating the fact that on Jan. 2, the guards will strap him in the electric chair and he will pay with his life for the life of Wilcox.

Or perhaps, guards intimated today, he is merely thinking of the sun, mispent days of freedom and a life in which, he sometimes says, the "breaks" were against him.

ROBINS TAKE LEAD IN NATIONAL LEAGUE

CARDS DROP SINGLE GAME OF TWIN BILL

New York Counted Out of Chase for Flag; Chicago Game Behind Brooklyn.

BY HUGH S. FULLERTON, JR.
Associated Press Sports Writer
Brooklyn, St. Louis and Chicago, lined up in a new order today, are practically on even terms in the National league pennant race. Each has lost 60 games. The difference in the number of victories puts Brooklyn a half game ahead of St. Louis and a full game ahead of Chicago.

The New York Giants were practically eliminated from the race as they lost a double header to Pittsburgh yesterday and found themselves 5½ games back of first place. The Giants lost the first game in the tenth inning, 8 to 6, and the second 7 to 3 in seven innings.

Club W. L. Pct. G. B. T. P.
Brooklyn 83 60 .580 — 11
St. Louis 82 60 .577 ½ 12
Chicago 81 60 .574 1 13
New York 77 65 .542 5½ 18

Brooklyn won their way to the top yesterday, by scoring their tenth straight victory at the expense of the Cincinnati Reds. The score was 8 to 3. Thurston gave the Reds three runs in the first inning, but Jim Elliott shut them out with 6 hits in 8 2-3 frames while powerful hitting against Rixey and Kolp soon put the Robins ahead.

FORMER LOCAL STAR ASSISTS GRID COACH

Ted Cunningham Signs To Aid Mentor of Painesville Football Teams.

A former star of local athletics and more recently a satellite of the athletic teams of Bluffton College, Theodore Cunningham of Marion, has been engaged as an assistant football coach of Painesville's Harvey High school football team.

ball team. Cunningham is an instructor in a junior high school of that city.

Cunningham graduated from Bluffton last June after scoring a record for himself in the athletic annals of that institution. While he was engaged in the business of absorbing enough knowledge to obtain a degree from the college, he was doing enough in athletics to earn for himself four letters in both football and basketball, three letters in tennis and one in baseball. His ability recognized, he has been engaged to assist the head coach of Harvey High in the directing of the football squad as well as to act as head coach of the Champion Junior High school basketball team. Cunningham will teach science, mathematics and English in Champion Junior High school.

JONES IS CHAMP
C. E. Jones defeated Art Yazel Saturday in a hotly contested five set match for the tennis championship of the Osgood Mfg. Co. The scores of the championship games were as follows: 7-5, 6-2, 3-6, 5-7, and 6-1.

In the semi-final round of play of the Osgood company games Yazel defeated Bob Owens and Jones was victor over E. W. Long.

CATCHER SOLD
By The Associated Press
TOLEDO, O., Sept. 15—Walter "Butch" Henline, accorded first rank in American Association catchers this year, has been sold to the Chicago White Sox. It was announced by President Oscar J. Smith, of the Toledo club that Toledo will receive cash and players. Henline came to the Mudhens last winter from Brooklyn.

FISHBAUGH TO CLASH WITH CHINESE STAR IN MAIN-GO MATCH

Roughneck action in Semi-Final Round Out Promising Grappling Show.

Roughneck action is bound to be the paragon Tuesday night in the Steam Shovel gym when Les Fishbaugh, the local champion, squares off with the Chinese star, Achiu in the main go of the first wrestling match of the fall and winter season. Achiu and Fishbaugh are booked to grapple to a finish best of three falls to win.

A previous match with Jack Gorman cancelled because of an unavoidable conflict in wrestling dates of Gorman, matchmaker Benjie Crisswell secured Fishbaugh as a substitute for the match. When he signed Fishbaugh he signed a substitute that is a favorite because of his own hang wrestling exhibitions presented here in the past. It may be a case where a substitute turns out to be better than the original. It certainly will be as good if Fishbaugh lives up to his past performance.

The Cardinals, who took the lead Saturday as Chicago's Cubs dropped to third through a defeat by the Phillies, promptly went back to second place yesterday as they divided a double header with the Boston Braves. Burtleigh Grimes won the first game, 9 to 2, but the Braves' Sammy Slaughter Johnson around to take the second 7 to 4.

The Cubs and Philadelphia were idle yesterday but have a double header today.

The Philadelphia Athletics made their hold on first place in the American league a little safer by bumping Wesley Ferrell and the Cleveland Indians for a 7 to 1 triumph while Washington was losing to Chicago 2 to 1. Four more triumphs for the A's will secure them of nothing worse than a tie for first place.

Charley Ruffing, big New York pitcher, led the Yankees to a 10 to 3 victory over Detroit. In the one remaining contest as the Boston-St. Louis double header was rained out.

WITTENBERG MAY BE ADMITTED TO B. A. A.

College Conference Lacks Drawing Power with Lutherans Not in Group.
By The Associated Press
COLUMBUS, O., Sept. 15—Wittenberg probably will be found in the ranks of the Buckeye intercollegiate athletic conference again within the next few weeks.

The conference composed of the University of Cincinnati, Denison, Miami, Ohio University and Ohio Wesleyan, is considering Wittenberg's application for readmission to the group from which it withdrew last fall after being charged with recruiting and promoting. Favorable action is expected to be announced soon.

Absence of Wittenberg was found to have resulted in a loss of color of both football and basketball games in the conference and in gate receipts.

Football schedules for 1937 were drawn up by the five conference teams and by Wabash and DePauw colleges of Indiana which recently entered into a two-year scheduling agreement with the conference. Wabash will play at Ohio Wesleyan and Miami next year while DePauw will play Ohio University at Greencastle, Ind., and the University of Cincinnati.

ON THE INSIDE

Who

Bob Kirkpatrick

THE only thing that remains of the 1930 recreational baseball season is the ruling of the city baseball commission as to what shall be done about the protest filed by Lee Street Presbyterians, runners-up for the city championship, concerning a play connected with the final game of the world series championship. Erie Roundhouse won the game and with it the honor of being referred to as the 1930 champions of the city.

While in the process of beating Lee Street in the final game on last Wednesday Fido Robbins, Erie outer-gardener, is alleged by Lee Street to have illegally attempted to catch a foul fly. Tonight the commission will meet to decide whether or not the protest is to be allowed. One precedent has been set already as this protest is the first ever to be registered over the outcome of a world series game.

Another will be established in case the commission rules the protest valid. Fans are anxiously awaiting the decree of the baseball moguls.

Now that baseball is past and activities in other sports in Marion are almost negligible at present, football fans are waiting for the day when Harding High's 1936 football aggregation will swing into action. Whether or not it emerges from the current schedule with a good record in games won and lost remains to be seen. Nothing very certain can be said for the prospects of the team. The eleven is going to be rather light but it may be fast.

There is one thing absolutely sure about it. If it goes through its schedule of 10 games without losing any games it will have established a record that will stand out as an accomplishment of no mean proportions. No one can accuse the local coaches of trying to book soft teams. Any outfit that plays the following opponents on consecutive Saturdays has plenty of work cut out for itself. Toledo Central, Gallon, Elyria, Ashland, Findlay, Bucyrus, Mansfield, Shelby and Springfield comprise the present list with one more game to be sandwiched between Mansfield and Shelby.

ALTHOUGH there is a large percentage of persons who may not understand the reason for the apparent beginning today of another war there is probably an equal number who realize that today ushered into being another season during which squirrels may be hunted without fear of running afoul of the game warden. Several species of game may be shot but squirrels will move then likely occupy the greatest amount of attention.

While a vast majority of hunters will be able to engage in the sport without serious consequences, there is little doubt to suppose that several of a large number will fall victim to accidents, either through their own carelessness or that of someone else. For their own safety and for that of others, sportsmen are warned to be on the alert constantly that the usual large number of fatalities and injuries may be lessened.

FIRST ROUND PLAY OF TENNIS TOURNAMENT NEARLY COMPLETED

Woffinger Defeats Herr in Feature Match Saturday; Drawings Corrected.

In what was booked to be the feature match of the first round of play in the Star-Shovel tennis tournament now in progress on the shovel courts, Bob Woffinger defeated Erman Herr of Gallon Saturday to eliminate Herr and advance Woffinger to the second round of play. In other matches played over the week-end Thompson was the victor over Wedell Kerr, and Cline was winner in a match with Siefert. A scheduled match between Jack Bray and Langley had not been reported to this office at the time this was written. With the exception of this match and one between Paul Lindsey and Richard Norris all of the first round singles have been played.

One match of the second round singles play was reported today. W. B. Long having defeated John Bartram.

Correction in the drawings for the doubles matches takes a first round bye away from Lindsey and places them in competition with Herr of Gill.

As this is written the exact time for the playing of further matches, either doubles or singles had not been set. Players who are to play this evening will be notified in ample time. A time schedule of play will be issued on this page tomorrow.

CORBETT WINNER OF PLAY-OFF FOR TITLE

Defeats Jack Gompf on 40th Hole To Win Championship of Mar-O-Dei Club.

Winning one up on the 40th hole of a schedule 36 hole playoff for the club championship, W. A. Corbett yesterday won the championship of the Mar-O-Dei golf club. Corbett beat Jack Gompf who had previously defeated all contestants to gain admittance to the final round.

The first 18 holes of the match were played in the morning, neither golfer having any advantage at the end of the morning play. By virtue of his victory yesterday Corbett will be given a permanent trophy, emblematic of the championship of the club for the first year of its existence. The Mar-O-Dei club was organized last spring.

VANDERBILT BOAT 7-1 CHOICE TO DEFEAT IRISH CHALLENGER

BY TOM HORGAN
Associated Press Staff Writer

NEWPORT, R. I., Sept. 15—The saucy Enterprise, Harold S. Vanderbilt's defender of the America's cup, and Shamrock V, Sir Thomas Lipton's green-hulled challenger, had another engagement today. Enterprise was a 7-1 favorite to win.

Enterprise's victory in the initial race of the series Saturday did much to lessen interest in the international yachting classic. The spectator fleet had noticeably dwindled today from the armada which followed the racing yachts on Saturday. Many of Saturday's spectators were those who were not fortunate enough to be able to ignore the claims of trade and industry—and were forced to return to shop and office.

Many who watched Shamrock's hopeless chase of Enterprise Saturday were forced to believe her canvas was too heavy, as compared to the gossamer wings of the American defender. Often during the race Shamrock's head sails fluttered empty while those of Enterprise billowed out smoothly.

Conditions Saturday were supposed to have represented Shamrock's own choice in weather. She had ghosted around local waters in the faintest of zephyrs before the series opened.

MASSILON WANTS GAMES
The Massillon Merchants, semi-pro football team of the city whose name it bears would like to book games with any semi-pro outfit in this section of the state. The Massillon team earned a good name for itself last season when it won 28 and lost three games. Any eleven wanting a Sunday game after Sept. 21 should get in touch with C. N. Clapper at 111 12th street N. W. in Massillon.

The second shot of Mrs. Bower fell just short of the green. Her chip shot then dropped into the cup to give her an eagle three for the hole.

Saturday the boats ran 15 miles to leeward and returned. Today they had to race around a 30 mile triangular course, beginning at 10:40 a. m.

Johnny Risko Takes on Babe Hunt in Oklahoma City; Berg Fights Cllick.

By The Associated Press
NEW YORK, Sept. 15—Primo Carnera takes on Jack Gross, Philadelphia, in a ten rounder at the Chicago stadium Wednesday night. Gross rates a notch or two above the usual run of Carnera's opponents.

Johnny Risko, Cleveland, heavyweight, takes on Babe Hunt, Ponca City, Okla., at Oklahoma City tonight. Tomorrow night, Jack Berg, English lightweight, and Joe Cllick of Brooklyn, battle 10 rounds at the Queensboro stadium, New York.

Larry Johnson, Chicago, lightweight, returns to the ring in an eight rounder with Fred Lenhart, of Spokane, at Spokane tomorrow night.

JURY REPORTS ON WEDNESDAY

Chester Whitt To Appear in Court in First Criminal Case of September Term.

The jury for the September term of common pleas court reported today to Judge George B. Sanford and five of the 20 were returned for various reasons.

The remaining 15 were ordered to report Wednesday at 9 a. m. for the trial of Chester Whitt, charged with automobile theft.

Ralph S. Geary of 46 Delaware avenue, Oak W. Ward of 361 North State street, Nancy Park of R. F. D. No. 1, Mrs. Ethel Baker of 264 South Vine street and Carl Worley of 451 North Main street were 15th jurors.

Fifteen Accepted.

The 15 accepted jurors: Frankie B. Davis of 24 North Main street,

Ward H. Boone of 135 East Church street, Elmer Markert of 244 Harkness street, James W. Harrell of 210 Foster street, Fred Day of Prospect, Aaron G. Greeting of 111 Kemmore avenue, Clyde Conley of 490 Courtland avenue.

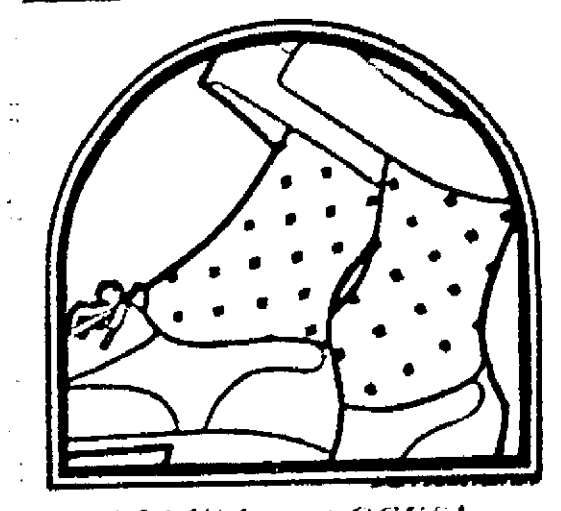

George B. Bessley of 336 East Church street, Miss Olive Gurley of 48 South State street, William J. East of 501 Summit street, Harry E. Oles of R. F. D. No. 4, Arthur A. Van Arta of 264 Belmont street, Grace M. Kennedy of 22 West Church street, Anne Cox of Prospect and Mrs. John A. Hoyer of R. F. D. No. 6.

Bisler Trial

The new jury's second case of the week will be that of Charles Lewis Bisler, who will be tried Friday at 9 a. m. on charges of possession of burglar's tools and of breaking and entering. Lewis is one of two men arrested last night the morning after Indianapolis Steels' fuming reaction operation had been killed by robbers were Lewis was killed in the unexplained saying but denied any connection with the affair. He escaped last before the quizzing but later was recaptured.

The case of Harvey Lichtenberger, farmer, charged with assault, has been postponed until Sept. 16. It was set for Tuesday but Lichtenberger's attorney, J. Wilbur Jacoby, asked for a postponement. The Sept. 26 date formerly was set for the trial of Milford Daly, who later pleaded guilty to a charge of burglary and who was sentenced last week to an indeterminate term in Mansfield reformatory.

Parcel boxes which automatically lock when anything is placed in them have appeared in Europe for installation at front doors like mail boxes.

SNEAK THIEVES BUSY HERE OVER WEEK-END

Two Stores Burglarized of Coffee from Windows; Car Is Stolen.

Two burglaries of minor importance, theft of an automobile and considerable pilfering featured the weekend in Marion, police records today revealed.

The Adams & Son grocery at 65 Silver street and the Hubert grocery at 477 Toledo avenue each were burglarized of several pounds of coffee Saturday night or Sunday morning. In each instance, the burglars hauled sacks through the windows and escaped with coffee from the windows.

R. C. Drake of Bucyrus told police his Chevrolet coach was stolen from Crystal Lake park last night. The car carried Ohio license 222-544.

Charles Fox of 254 Belmont street reported to police a tire tube and rim were taken from his car while parked on Mill street. Harry Welch of 145 Gray avenue told police a tire tube and rim were stolen from his car parked at Crystal Lake park last night. Theft of an emblem and radiator cap from his automobile at Crystal Lake park last night was reported to police Saturday by J. H. Hunsman of 141 Lincoln avenue.

Alfred Alexander of 125 Oak Grove avenue reported a motorcycle stolen from his car at the fair ground.

FAMILY REUNIONS

RADIO PERMIT HEARINGS OPEN

Stations in Scramble Before Commission; Seek High Power Licenses.

By United Press

WASHINGTON, Sept. 15.—Hearings inaugurating a scramble for the remaining high power broadcasting licenses available in the United States began today before the federal radio commission.

Four stations are competing in the one high power opening in the first zone which includes Maine, Massachusetts, Vermont, New Hampshire, Connecticut, Rhode Island, New York, New Jersey, Delaware, Maryland, District of Columbia, Porto Rico and the Virgin Islands.

The commission has ruled on four 50,000-watt stations may be licensed in each of the five radio zones. In the first zone, WYAT, WYAF and WTIC already use 50,000 watts. The four stations seeking the remaining three licenses are:

WHAM, Sturbridge-Carlton Co., Rochester, N. Y.; WEEZ, Westinghouse company, Boston, WOR, Bamberger Broadcasting Service, Newark, N. J.; and WJZ, Radio Corporation of America, New York.

Stations WYAF, WLWL and WABC of New York; WBAL, Baltimore; WPC, Atlantic City; WGVU, Fort Wayne, Ind.; and WTVR, Wheeling, W. Va., have been notified of today's hearing so they may intervene if opposed to further licensing.

Today's hearings inaugurate an important series which will continue each Monday until applications from each zone have been heard.

BIRD-McGINNIS POST TO HEAR PROGRAM

Legion Plans Entertainment at Dugout on Night of Nationwide Broadcast.

Bird-McGinnis Post, No. 142 American Legion, is holding a special meeting Thursday at 8 p. m. at the Dugout for members of the post, auxiliary, and their friends to hear the nationwide broadcast of the Victory division of the Radio Corporation of America in cooperation with the American Legion and National Broadcasting Co.

The program, which will be broadcast over a nationwide network at 9 p. m., has been dedicated to the American Legion men and women of the country.

President Hoover, former President Coolidge, Alfred E. Smith, General John J. Pershing and O. L. Rodenhamer, national American Legion commander are the speakers on the program. In addition to which a group of singers and musicians, including entertainers from Mexico and Canada, will give a variety program interpreting the talk.

From 8 to 9 p. m. cards and special entertainment will be enjoyed. Refreshments will be served.

There are 10,000 Legion posts and 4,000 auxiliary groups in the United States.

175 AT REUNION OF FORMER PUPILS

Soldiers and Sailors Orphans Home Gathering Brings Many Here.

One hundred and seventy-five members of the association of ex-pupils of the Ohio Soldiers and Sailors Orphans home at Xenia, gathered at Garfield park Sunday for the annual reunion and picnic. Mayor L. Don Jones assisted the committee in making plans for the affair. He gave an address of welcome, after which Mr. and Mrs. Thomas Andrews, former superintendent and chief matron of the home gave brief talks. Frank Zuck of Marion, a member of the committee in charge, also gave a brief talk.

George W. Robertson, president of the association, presided and made an address urging better cooperation among the ex-pupils. Harry E. Burkett of Fostoria, responded to Mayor Jones' welcome.

DENIES CHARGES

A denial of all allegations is contained in an answer to a divorce petition which has been filed in common pleas court by Harry Messenger, defendant in an action brought by Donna B. Messenger. The plaintiff charged the husband with gross neglect and extreme cruelty. His attorney is L. E. Myers and J. H. Eymon is counsel for the plaintiff.

REPAIR BRIDGE

Agosta Road to Be Closed While Work is in Progress.

The Marion-Agosta pike will be closed for a two-mile section at a point five miles west of Marion this week due to repairs on a bridge. Cecil R. Leavens, county surveyor announced today.

New abutments are being placed on the bridge to replace those which have been falling away and which have been creating a traffic menace at that point, Leavens said. The job, which will be done by the county, will cost approximately \$500.
